

The media literacy activities of the BLM

Presentation for the EPRA Executive Board

30 January 2020

Siegfried Schneider, President

The law and the remit

Art. 11 Remit („Aufgaben“) BayMG

Art. 11 (1) nos. 1-10

The BLM shall organise, promote, distribute and control broadcasting offers, in particular by providing for a balanced infrastructure, promoting content production, organising the distribution infrastructure, ...

Art. 11 (2) nos. 1-3

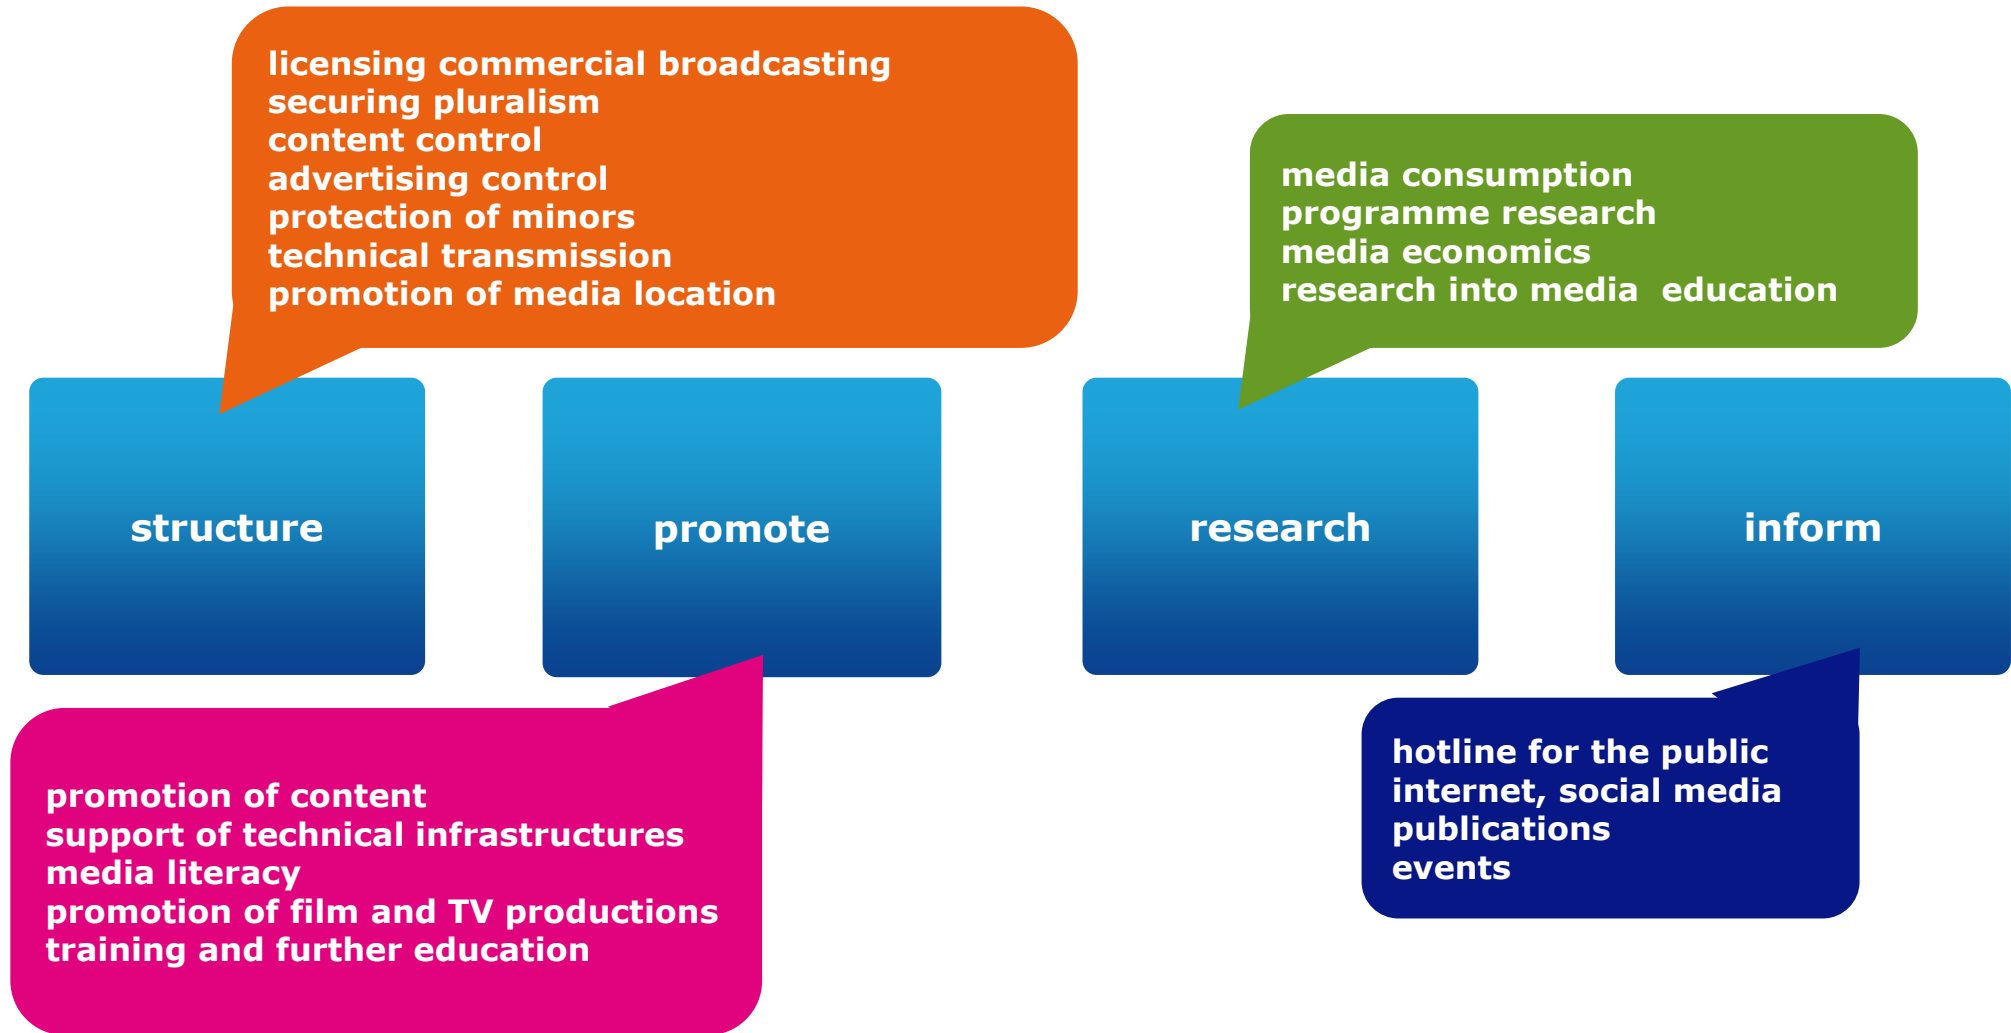

In addition, the BLM shall promote film and TV production in Bavaria, conduct research on content, quality, economic sustainability and acceptance of media offers, and see to commercial offers being archived

Art. 11 (2) no. 4

The BLM shall contribute to

- a) training and further education of skilled staff for the media sector,**
- b) imparting a responsible use of media, in particular concerning media education and media pedagogics**
- c) connecting media enterprises for supporting and developing digital media in Bavaria**

The BLM and its activities

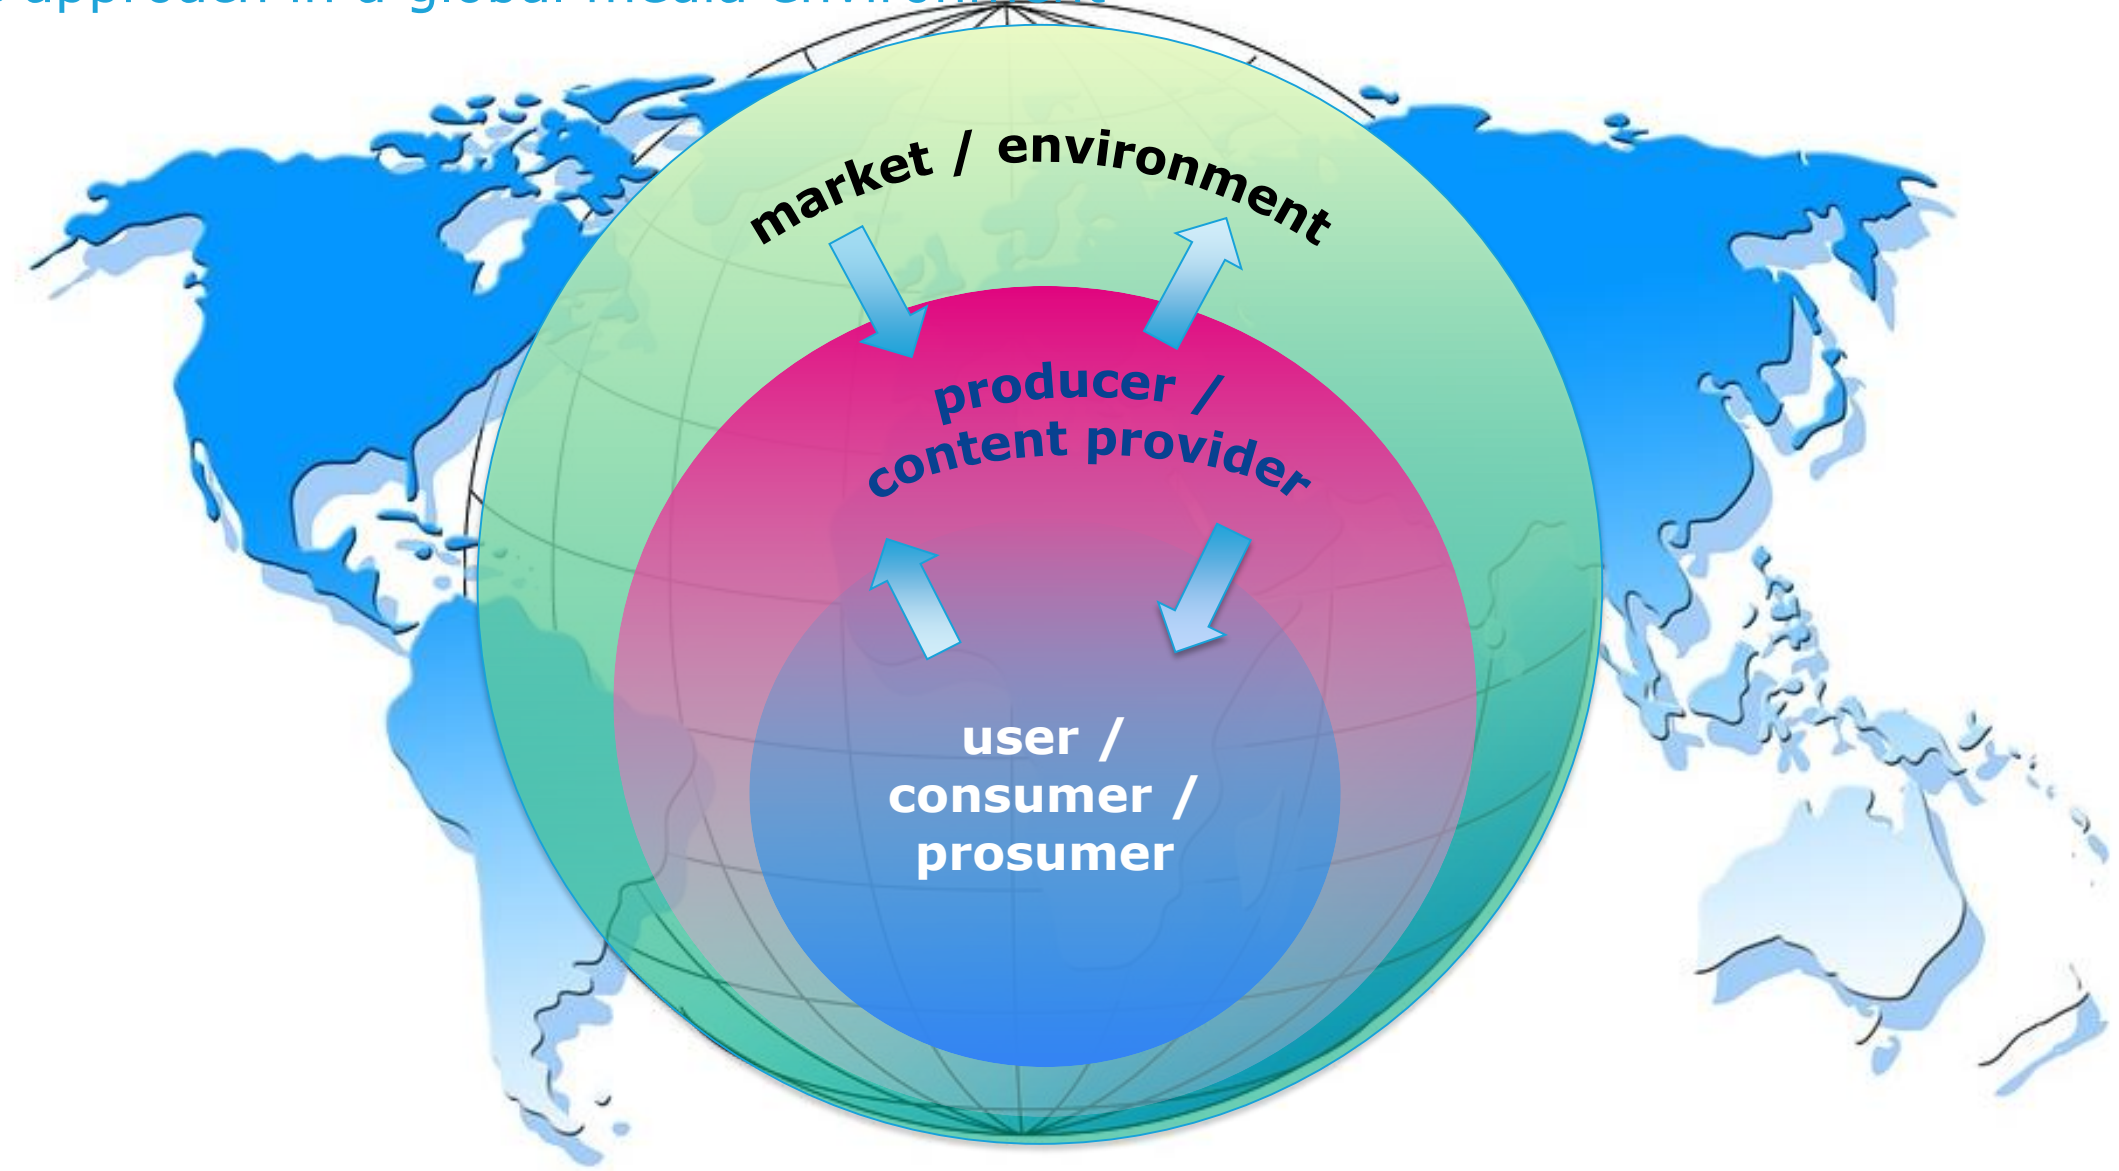

The BLM and its budget 2020

approx. 31.59 million Euros

holistic approach in a global media environment

Medien.Bayern GmbH: fostering innovation and connecting

Dachgesellschaft für den Medienstandort Bayern

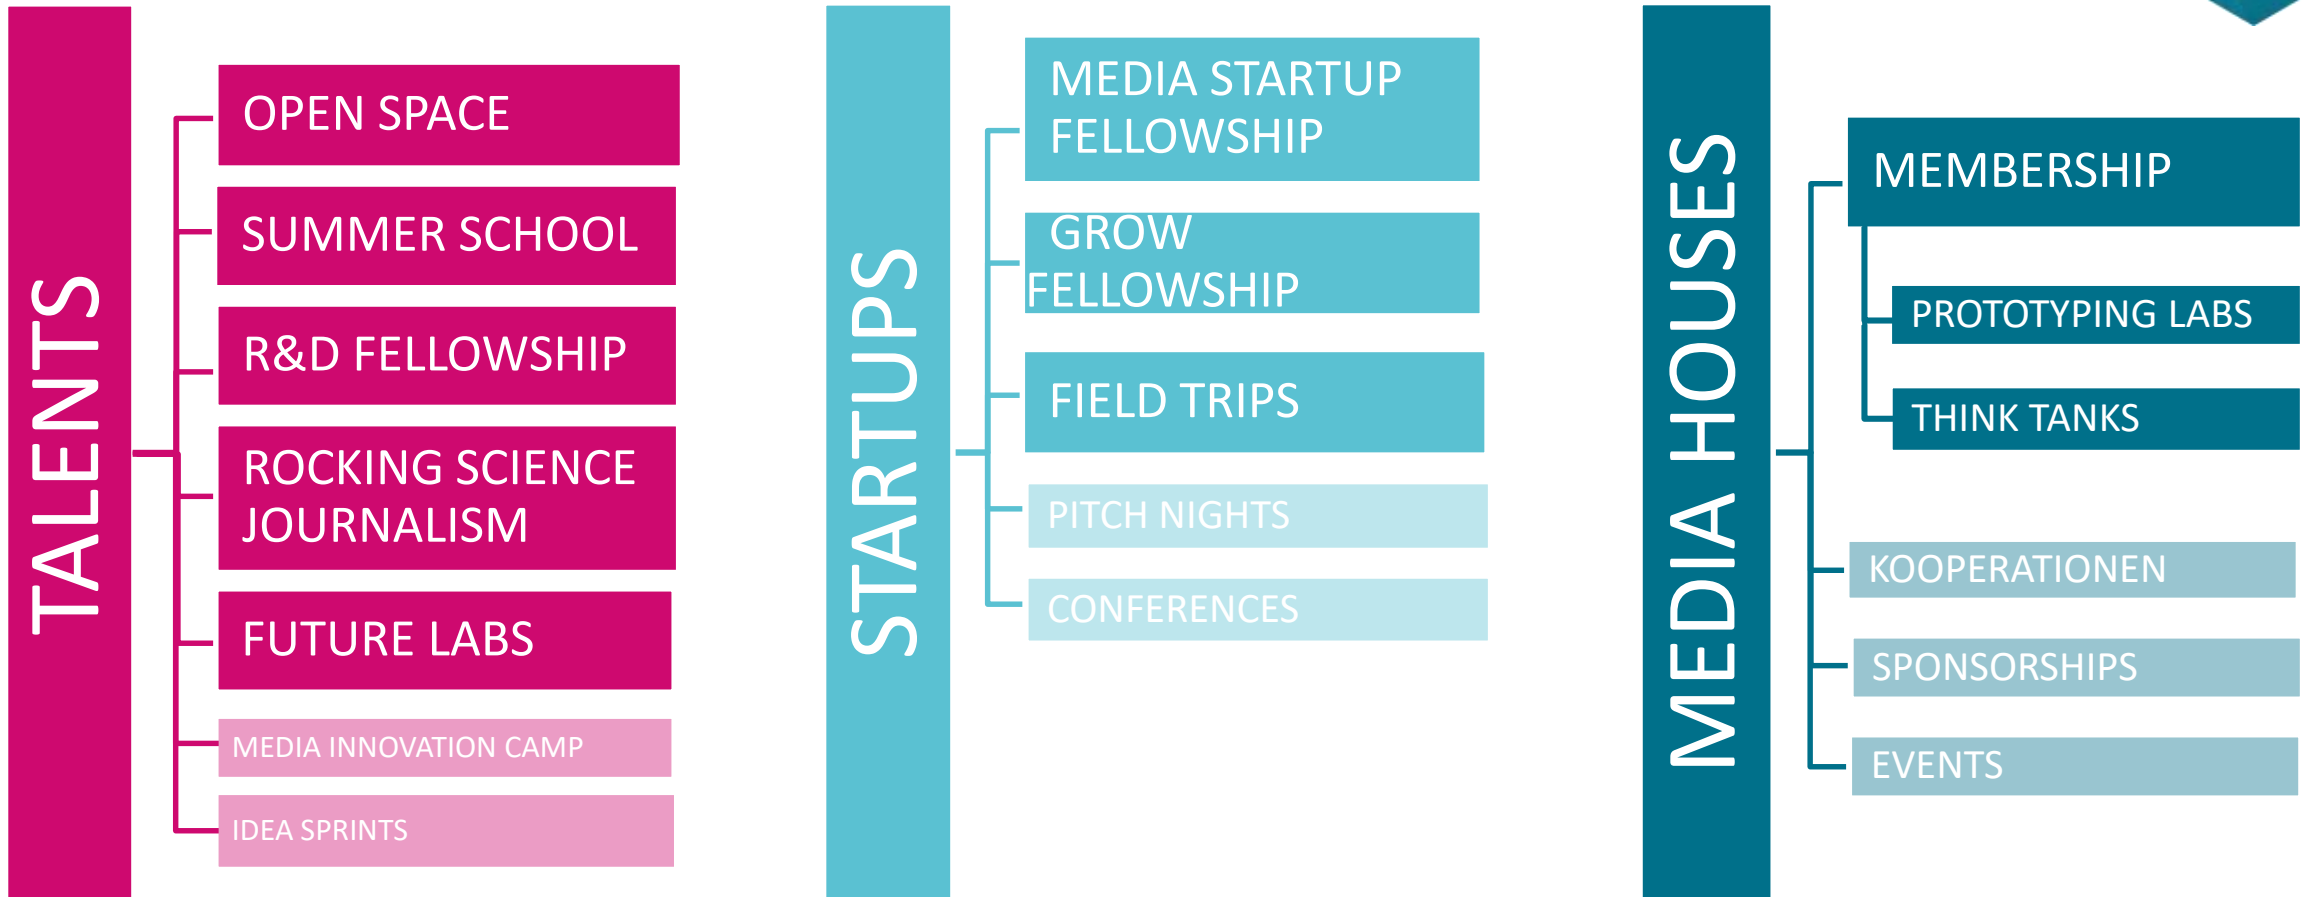

- connects media enterprises in Bavaria and across individual sectors
- provides information on players and actors in the media location
- promotes innovation in the media sector
- supports media startups
- organises media events (e.g. Medientage München, Lokalrundfunktage Nürnberg)
- enhances the visibility of Bavaria as a media location at the national and international levels
- a 100 % BLM subsidiary
- supported by Freistaat Bayern
